

Dearest brothers and sisters in Christ,

Reflecting back over this past year, we are praising God for you; for your prayers, your acts of service, and your financial support.

The Lord Jesus is moving in the hearts of those here in Eastern Europe. God is blessing the Roma ministry at the Gypsy Church in Hajduboszormeny, the orphans from Miskolc were incredibly blessed through the outreach by the VBC team in the Spring, and prayerfully, things are moving ahead for the ministry to Hungarians in Ukraine.

Many have heard the message of salvation for the first time this year, some have come to know the Lord in a deeper way, and many are truly understanding the gift of grace in a more personal way. The life of an unborn child was saved through the VBC team teaching on the sin of abortion. Pastors wives and women's ministry leaders in Romania and Hungary were encouraged through the love and support of Sharon Collard, Linda Marsic, and Carol Porter. And lastly, we have been very blessed to host and serve many needing housing through the Guesthouse Ministry.

Thank you all and may the Lord bless you abundantly through His grace and love.

With grateful hearts,
Rob and Carol Greathouse
